\* The credit card monthly payment is calculated at a rate of 5% of the credit card limit. Different lenders apply different rates to the credit card repayments and this may affect the monthly credit card repayment. If the actual monthly credit card repayments are more than the amount displayed, this will also impact on the capacity to afford this loan.

**Financial Position**

<b>Net Income calculated by the lender</b>	<b>\$14,264.17</b>
--	--------------------

	Applicant Declared	Lender Calculated
<b>Commitments</b>	\$4,103.00	\$3,728.00
<b>Living Expenses</b>	\$3,500.00 <sup>[1]</sup>	3500
<b>Uncommitted Monthly Income</b>	\$6,661.17	\$7,036.17 <sup>[2]</sup>

[1] Where Applicant declared living expenses have not been entered in FLEX, the estimated living expenses will default to the value determined by the lender. Please note that some lenders require living expenses to be assessed in conjunction with the applicants.

[2] The Lender uncommitted Monthly Income is generally calculated by subtracting the total fixed expenses and the calculated living expenses from the monthly net income amount. For some scenarios, the amount displayed above will vary from the calculated parameters due to the lending policy applied by the lender.

**Significant Changes in the Future**

You have declared that there are no foreseeable changes that will affect your capacity to meet the mortgage repayments.

## Loan and Product Information

### Purpose of the loan and Objective of the borrower

to assist with the purchase of the vacant of land

### The following products were used to make the assessment:
