

Source of Funds document (*Proof of Finance*)

As you would appreciate, evidence of finance &/or availability of funds, forms an integral part of the development process. Serious interruptions & delays to the commencement of your home can easily be avoided by some careful planning.

We require your preliminary approval from your selected finance broker & the documented evidence in regard to confirmation of any Owner provided funds. We have prepared this form which should be completed at your earliest convenience, prior to inclusion in our Building contract.
