## Your guide to the Medicare benefit tax statement

#### What is the Medicare benefit tax statement?

Your Medicare benefit tax statement contains information about medical services and expenses for your nominated Medicare card. This information is based on claims processed by Medicare within the financial year – not necessarily performed within the financial year.

You will need to send a written request if you have been transferred or copied from one Medicare card to another during this financial year. A Medicare benefit tax statement for services provided on your previous card will be mailed to you.

#### For more information go to www.medicareaustralia.gov.au/public/tax.jsp

Your Medicare benefit tax statement may help you when claiming the net medical expenses tax offset.

#### What is the net medical expenses tax offset?

If your net medical expenses are over the Tax Office's threshold, you can claim an offset of 20 per cent (20 cents in the dollar) in your tax return.

To claim the medical expenses tax offset in your tax return, you will need to know the total medical expenses you incurred for yourself and your dependants. You then deduct any refunds from Medicare, your health fund or any other reimbursements that relate to those expenses received during the financial year.

Your Medicare benefit tax statement:

- includes details of services accessed on your nominated Medicare card.
- includes details about presented and unpresented receipts.
- does not include details about bulk billing services as there is no charge to you.
- does not include details about in-hospital claims made via the Simplified Billing claiming channel. Billing agents and health funds issue separate statements reporting financial details of in-hospital care.

#### Your Medicare benefit tax statement shows

Patient's name	Service type	Charge	Benefit paid	Receipts presented	Receipts unpresented
John L Citizen	Medical	120.00	85.55	34.45	-
Jane M Citizen	Medical	250.30	190.20	54.00	6.10

Mary T Citizen	Medical	105.00	95.00	-	10.00

**Service type:** Indicates the type of service that the patient has claimed a Medicare benefit for during the financial year. The type of service can be:

- Medical includes services processed by Medicare from all doctors, including radiologists, pathologists and other specialists.
- **Optical** includes services processed by Medicare for optometrists.
- Dental includes services processed by Medicare for approved dental practitioners.

**Charge:** Indicates the total amount you were charged for each service type processed by Medicare during the financial year.

Benefit Paid: Indicates the total Medicare benefit paid to you for services processed during the financial year.

**Receipts presented:** Indicates that the account presented to Medicare for processing was paid in full. This amount is the difference between the charge for the service and the Medicare benefit paid - also called the out-of-pocket costs.

**Receipts unpresented:** Indicates that the account presented to Medicare for processing was not paid in full when you claimed from Medicare. This is the amount that Medicare can not confirm that you have incurred. Add this amount to the receipts presented amount and this will give you the difference between the charge and the Medicare benefit paid for the service.

The following scenarios are for the financial year 2010/2011 :

## Your guide to the Medicare benefit tax statement (cont)

- If you visited the doctor on 26 June 2011 and claimed the Medicare benefit before 30 June 2011, the service will appear on the Medicare benefit tax statement for the financial year 2010/2011.
- If you visited the doctor on 26 June 2011 and claimed the Medicare benefit after 1 July 2011, the service will appear on the Medicare benefit tax statement for 2011/2012.

These scenarios should be considered when using the Medicare benefit tax statement. You should check the services listed on your Medicare benefit tax statement against the receipts received from Medicare to ensure the services listed were claimed within the correct financial year.

More information about the medical expenses tax offset is available in *e-tax* or Tax Pack, by calling the Tax Office on **132 861** or visit <u>www.ato.gov.au</u>

Please note: You must keep your Medicare benefit tax statement to prove your claim if the Tax Office asks you to.
