To whom it may concern,
Medicare Australia.

This serves to confirm that Dr. Anecito Mantilla has been employed as a GP; to work full time at our practice (Wollombi Medical Practice; at 83 Wollombi Road, Cessnock) from 1/3/2011 till 28/02/2014.

His recruitment will bring an invaluable addition to an already stretched GP workforce in Cessnock. Efforts over many months to recruit an Australian medical graduate has not materialized (via Hunter Rural Division of General Practice, New South Wales Rural Doctors Network and SEEK websites).

Sincerely,

A handwritten signature in black ink, appearing to read 'O. Fowosere', written over a faint circular stamp.
